**TOUR MEMBERSHIP/PHYSICAL DISABILITIES:**

Group travel requires a unique blend of adventuresome spirit, physical and mental alertness, and a capacity for accepting situations as they exist—and not necessarily as we would find them at home. If you have health concerns, we suggest you contact your physician to determine the suitability of one of our tours. We regret that we are unable to accommodate all requests for special diets, itinerary variations, wheelchairs, or for individuals who require special assistance.

To enjoy your tour to the fullest, you should be in good physical and mental health. Any physical disabilities must be reported to AAA at the time of your reservation. Tour participants who require extraordinary assistance must be accompanied by a helper who is entirely capable and totally responsible for providing the required assistance. This is to help you choose the AAA Vacation that is best for you and to ensure the smoothest and most efficient operation of our tours.
